

INDIA-UK FREE TRADE AGREEMENT SIGNED

A historic step to unlock new growth in cross-border services, trade, and collaboration.

UK Businesses Can Now Tap into India's Financial Talent Pool

- **Reduced regulatory friction for outsourcing finance and tax work**
- **Easier access to Indian Chartered Accountants & accounting firms**
- **Lower costs, faster delivery, and 24x7 support through time-zone synergy**

INDIAN ACCOUNTING & TAX FIRMS GAIN DIRECT MARKET ACCESS TO THE UK

- **Recognition of professional qualifications**
- **Simplified entry into UK's financial services market**
- **Growth in demand for outsourced VAT, MTD, and Companies House compliance**

How True Ledger Consulting LLP Adds Value

1 End-to-end outsourced accounting & tax services for UK SMBs

2 UK VAT, MTD, payroll, and statutory reporting experts

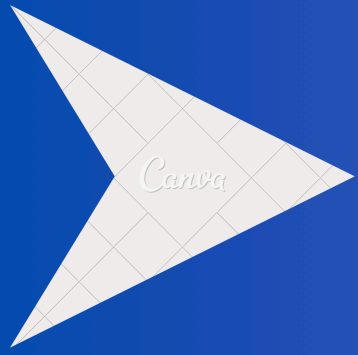

3 70% of our team are qualified Chartered Accountants

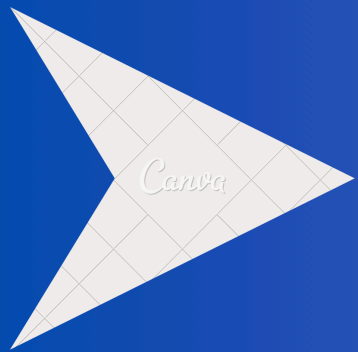

4 Tech stack: Xero, QuickBooks, Dext, ApprovalMax, Hubdoc, Joiin, and more

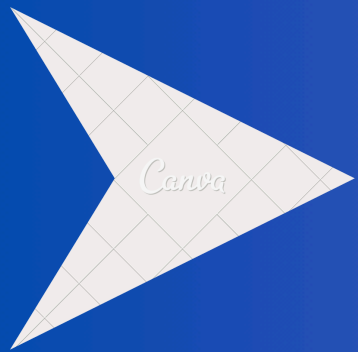

Long-Term Strategic Advantage

Strengthened bilateral trade = more cross-border entities

Surge in demand for compliance, transfer pricing, and advisory

Outsourcing isn't just cost-saving—it's a strategic growth enabler
